# I. <u>Course Objectives</u>

Students will work in teams to solve problems, create models, and develop innovative skills, through the use of PITSCO modules. These modules will deliver interactive, multimedia curriculum, which will include video, text, graphics, and animations. Students will have the opportunity to continue their investigations and extend their learning in the attached Maker Space environment, a hands-on space filled with a variety of construction and building materials, tools, electronics, art supplies, computers, and software.

# II. Materials Needed

• 1 Subject notebook

• iPad as needed

Pencil

Pocket Folder

# III. Grading Policy

A. **Grading Scale:** 93-100% = A, 90-92% = A-, 88-89% = B+, 83-87% = B, 80-82% = B-, 78-79% = C+, 73-77% = C, 70-72% = C-, 68%-69% = D+, 63-67% = D, 60-62% = D-, 50-59% = U.

# B. Assignments:

- 1. **Class participation**: Due to the nature of the class, students need to come to class and participate in order to improve on their skills. Participation points will be allotted weekly based on timeliness, preparation and active participation.
- 2. **Modules**: Students will utilize the PITSCO modules to complete research and problem-based activities. Rubrics will be provided prior to the start of the module.
- 3. **Tests**: Quizzes and tests will focus on application of technology, research and applied skills.
- D. **Make-up Policy:** It is the responsibility of each student to obtain and complete any work that is missed due to an excused absence. Students will be given one day per day missed to complete their make-up work.
- E. **Test Retake Policy:** A student may retake a test within two weeks of receiving the initial grade. 1-2 retakes are allowed per course per quarter, with one retake opportunity per test. Retakes on writing workshop assessments will be handled by the individual teacher. Students must commit to retaking the test within two days and retake the actual test within two weeks of receiving the returned test. A Retake Action Plan will be developed by the student with the support of the teacher. A student may need up to two days to finish the retake test due to time constraints.

# IV. Classroom Behavior Expectations

- A. Classroom rules: Rules of classroom conduct are based on the Hille PBIS principles of "Be Responsible, Be Respectful, Be Safe", and the Career Competencies.
- B. **Discipline Handbook:** Progressive discipline will align with the policy set by Jack Hille Middle School (see Parent/Student Handbook for details).

# V. Hours of Availability

Students may request additional assistance during lunch or after school to work on projects or time to reinforce technology skills. Students must pre-arrange a lunch work session as well as attending after school labs.
